## **Twenty-Two in 2022**

### **Twenty-two years of exceptional independent M&A and corporate finance advisory service**

MilleniumAssociates AG, the international M&A and Corporate Finance Advisory firm based in Switzerland and the UK, continues to go from strength to strength, celebrating twenty-two years supporting clients' M&A and corporate finance ambitions.

Incorporated in 2000 MilleniumAssociates originally specialised in executing M&A transactions in the global financial services industry. As the industry developed and private banks recognised the need to offer their clients more specialist corporate finance advice, MilleniumAssociates launched their Entrepreneurs and Corporates Practice in 2011, extending their M&A and corporate finance services to the clients of private banks as well as corporates and entrepreneurial business owners globally.

With a growing team of international partners and a wealth of experience, the firm is one of the leading independent specialist M&A houses, conducting numerous transactions globally across a broad range of sectors, with particular expertise in financial services, tech, and ESG transactions.
