MilleniumAssociates AG is an international M&A and Corporate Finance Advisory firm based in Switzerland and the UK. Founded in 2000, the firm originally focused on the financial services industry, however in recent years it has built on this M&A expertise and experience and established an additional Corporate and Entrepreneurs Practice in order to extend its M&A services to corporates and entrepreneurial business owners globally.

MilleniumAssociates' founder, Ray Soudah said: "Over recent years the company has developed its Corporates & Entrepreneurs Practice to work alongside our established and ongoing Financial Services Practice. Both Practices are today active in supporting a number of international, regional and domestic clients, and the success of these two specialist services requires larger offices. The new premises at Kreuzstrasse enable us to accommodate the expanding team as well as allow for future growth."
