## **Twenty in 2020!**

### **2020 sees MilleniumAssociates celebrate 20 years of exceptional independent M&A and corporate finance advisory service**

MilleniumAssociates AG, the international M&A and Corporate Finance Advisory firm based in Switzerland and the UK, this month celebrates twenty years supporting clients in meeting their M&A ambitions.

At its inception in 2000 MilleniumAssociates specialised in executing M&A transactions in the global financial services industry. After over a decade and more than 100 successful transactions, the firm launched an additional Entrepreneurs and Corporates Practice in 2011, extending their M&A and corporate finance services to the clients of private banks as well as corporates and entrepreneurial business owners globally and becoming one of the leading independent specialist M&A houses, conducting numerous transactions globally across a broad range of sectors.

Ray Soudah, the Founder of MilleniumAssociates, said: "MilleniumAssociates was established on a foundation of exceptional M&A expertise and over the years we have enhanced this, building up considerable experience and corporate finance capabilities not only in the international financial services sector but also in developing our Entrepreneurs and Corporates service, offering a service without limits across sectors and geographies. I am incredibly proud of the firm's reputation for transaction excellence and wish to thank the team, our clients globally and the industry in general for their on-going support and enthusiasm."
